

How To Draw The Snatchabook

To draw a Snatchabook, you only need 4 simple shapes!

Circle

Triangle

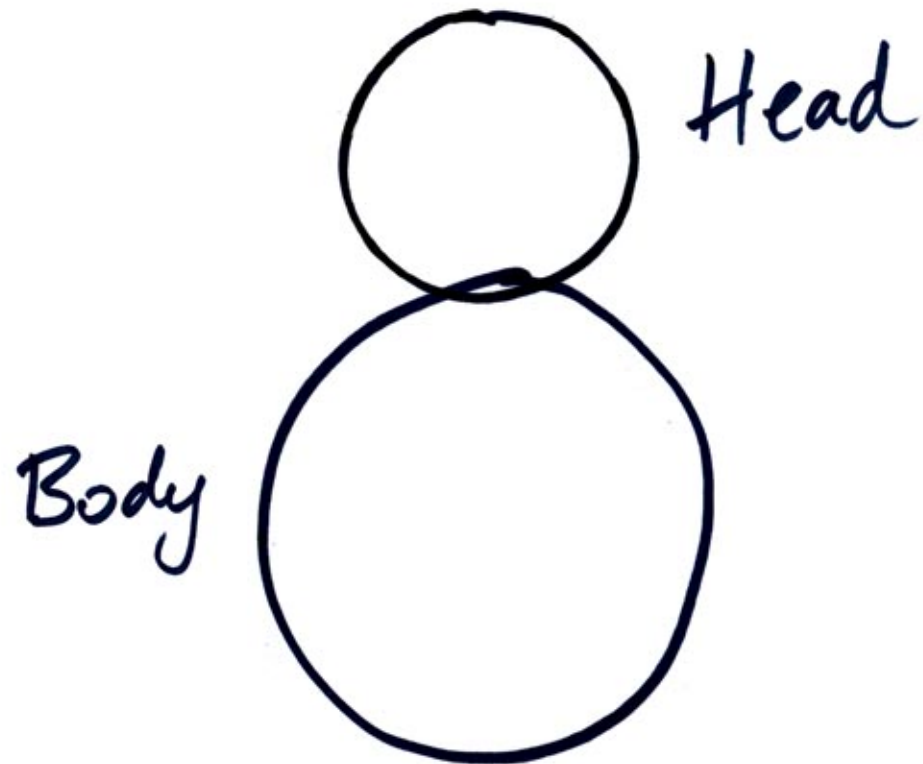

Oval

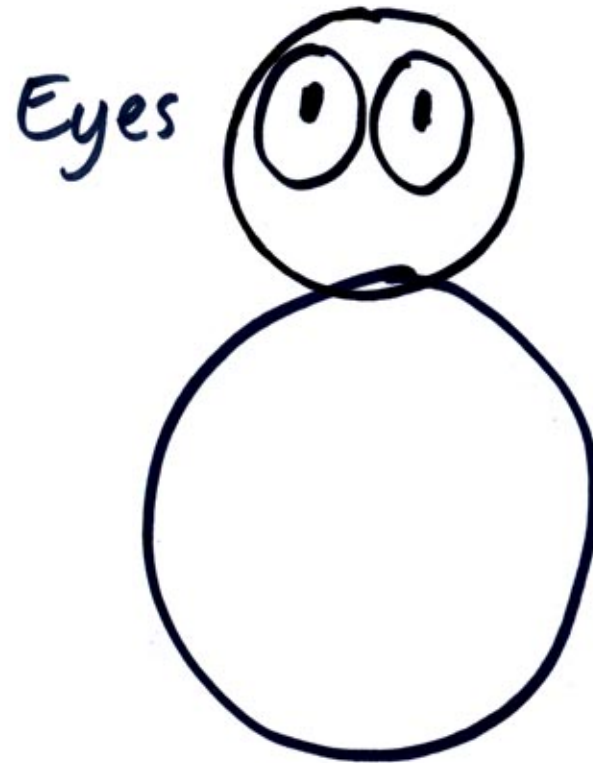

Wiggly Line

Let's start with 2 circles for the body and head

2 circles for the eyes

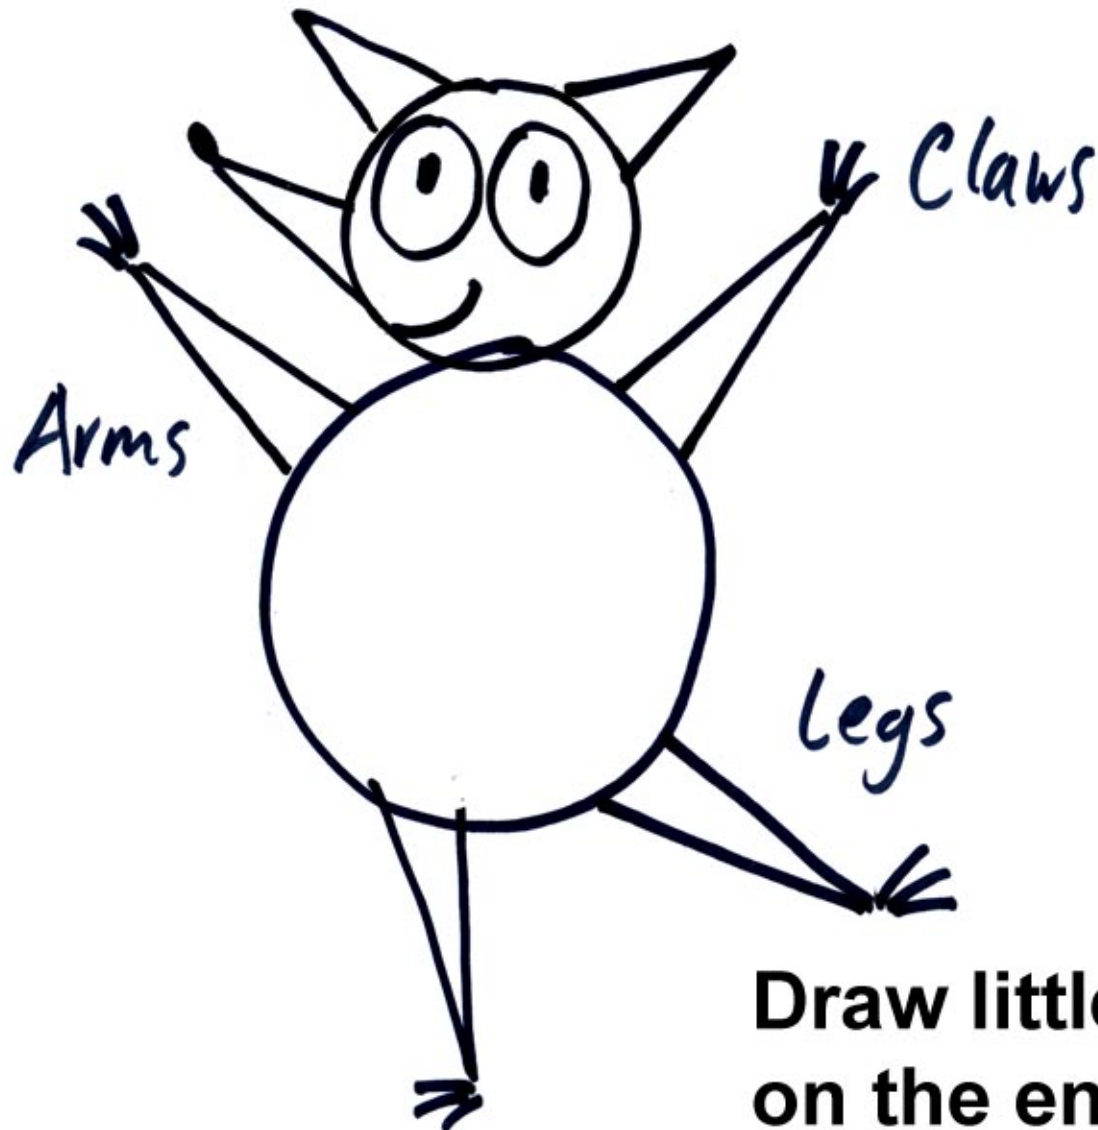

3 triangles for the nose and ears

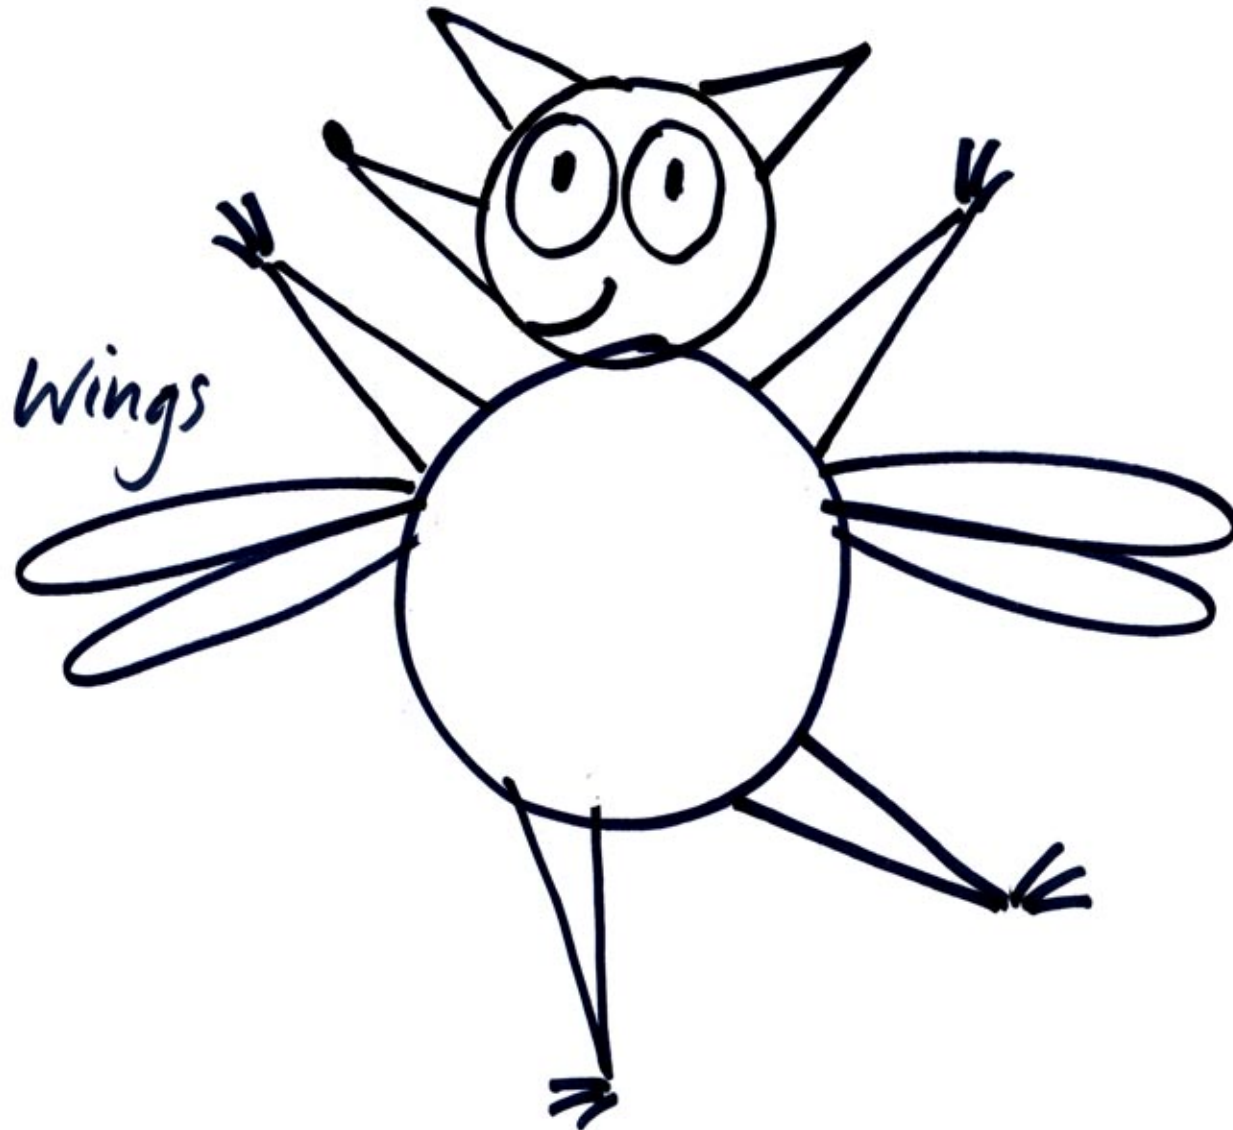

Add a smile!

4 long triangles for the arms and legs

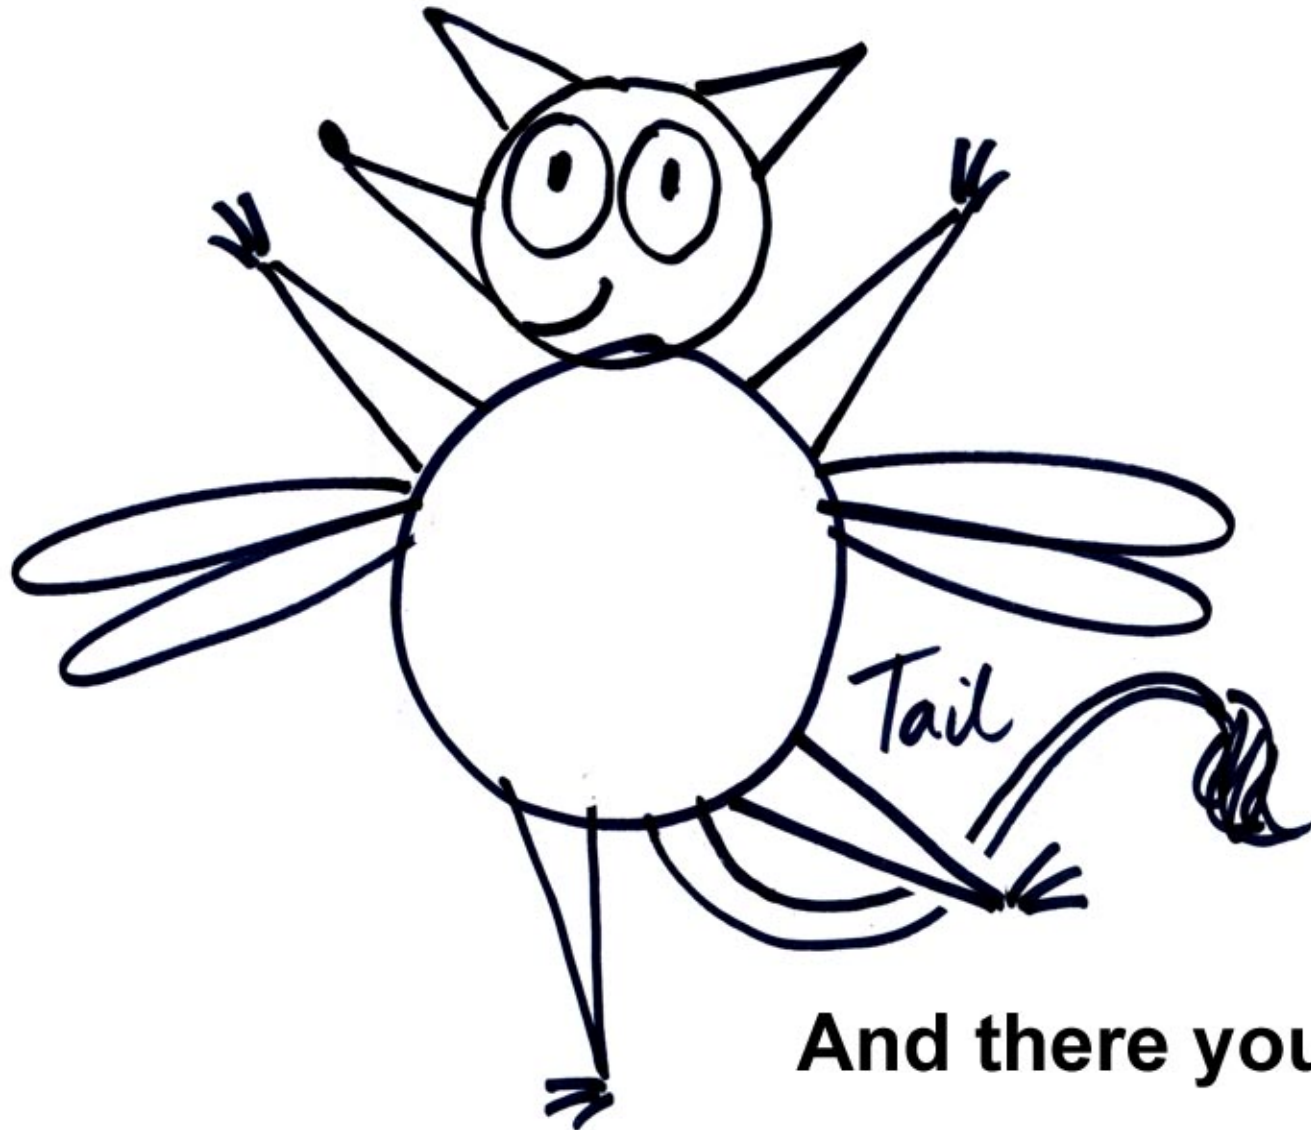

**Draw little claws
on the end**

4 ovals for the wings

The wiggly lines for the tail

And there you go!

You can color in your Snatchabook any color you like

Have fun!
