# How To Draw **SUPERWOLF**

Helen Docherty & The

Helen Docherty &amp; Thomas Docherty

When you put all those shapes together she's going to look a little like this!

Her name is Luna.

She's a wolf...

Let's start with Luna's eyes...

two circles with dots inside.

Put a triangle on the end of the nose...

and a smile at the bottom.

Add two triangles for pointy ears.

Now she's looking more like a wolf!

Join up the ears and draw a fluffy zig-zag for the side of her head.

Both sides come together in a point under her chin.

Her arms are bent  
and touch her hips.

You can use three small circles  
for her paws.

And add her legs, slightly apart.

You can use three small circles again for her paws.

and her tail!

Colour Luna in - any colour you like.

Now she's ready to save the day!
